

Wellingborough Town Council

TRAINING STATEMENT OF INTENT

Introduction

Wellingborough Town Council is committed to provide a level of training for both its members and officers to enable them to undertake their respective roles for the betterment of not only the Council and the community it serves, but also their personnel development.

Training

Training is defined as “a planned process to develop the abilities of the individual and to satisfy the current and future needs of the organisations”.

Learning can be categorised into the following:

- Intuitive – learning which happens by chance and we may not be conscious of it.
- Incidental – learning by reflection on particular events or activities.
- Retrospective – a system approach to reflecting on activities and identifying what we learned from them.
- Proactive – planning to learn from an activity, reflecting on it and planning to use what we learned.

It is anticipated that member/staff learning will reflect many of the above.

Training Aims

The Council’s training aims are the following:

1. To improve the understanding of its members, of their role as a local Councillor, the powers available to the Council and how best to utilise the resource available to the Council for the betterment of the residents it serves.

Adopted by the Staffing Committee 17.3.22

2. To provide the necessary training to its staff to ensure that they are able to undertake their respective roles.
